## TV, broadband and home phone made simple

The best digital TV, broadband or home phone package for you.

TV, broadband and home phone recommendations are provided in association with Simplifydigital, a fully independent company, accredited by Ofcom, which is not linked to any service provider.

Any contract entered into is with a service provider, rather than John Lewis.

## A clear choice

If you're looking for a new TV, broadband, or home phone package the choice can be overwhelming. There are multitude of service providers offering complex deals, which seem to change on a daily basis.

We will search through 6,000 deals offered by the top providers until we find the one that suits you best. Services available can vary depending on the location of your home, so we'll find the best package in your area.

With expert knowledge and unrivalled access to the very best deals we can really save you money. In fact, we may be able to save you hundreds of pounds compared to your current deal.\*

Rest assured, our expert advisors are completely impartial. They're waiting to listen to your needs, answer your questions and then find the best deal for you – so call today on 0800 977 5712.

\*20% of customers who call Simplifydigital save an average of £577 annually.

## What's right for you?

Whether you're a new customer, switching service, moving house or just too busy to search for the right deal, our experts can take care of it all. From choosing a suitable deal to arranging installation, We will do all the hard work for you.

Call us on 0800 977 5712.
