

Make a difference

Claim your free low energy lightbulb*

Print off and take this voucher into your local John Lewis lighting department.

A low energy bulb consumes up to **85% less electricity than a standard bulb**, saving you money. A simple way to make a difference by reducing your impact on the environment. We are working with Philips to offer voucher holders a free energy efficient tornado lightbulb*. Please collect your bulb and present this voucher with it at the till point.

Simply fill in your name and address details below to receive your free lightbulb

Title _____ First name _____ Surname _____

Address _____

Postcode _____
